Confirmation of extension of certification validity based on IAF - Extension of the migration of Health and Safety Management Systems from the OHSAS 18001 standard to the ISO 45001 standard, postponed to 11 September 2021.

Dear Ing. Malcotti,

In accordance with the IAF provisions in the context of the COVID-19 pandemic emergency (<https://iaffaq.com>), and following the result of the maintenance audit of 10, 14 and 15 April 2020, we inform you that your ISO 9001:2015, ISO 14001:2015, OHSAS 18001:2007 certification document with registration number 15983 (valid from 17. 06.2018 to 11.03.2021) will be extended until 16.06.2021, as the OHSAS 18001 standard can be extended until its original expiry date or until 11.9.2021 respectively.

We thank you for your cooperation.

Kind regards
